Rep's Rambling.

As we are now coming to the end of the 2009 ride-out calendar, just a couple of ride-outs in October, Copdock and Brighton. Hopefully there was something for everyone, there have been good turn-outs for the Sunday rides this year, might have something to do with the good weather we have had in Essex. Travelling outside of Essex was a different matter as the rest of the country seemed to have had some very wet weather, which we encountered when travelling to the 2009 rallies.

(See list of rallies for 2010 on page 6 of this issue of SEAX).

For those who like long distance rallies the VSOC has been invited to attend an International rally in Columbia, South America in September 2010, if you are really interested contact your reps who will be able to give you more information.

As from 18th October rideouts will be impromptu, departing 10-00am from Boreham services. If you know of any events that might be of interest to club members during the winter months, let us know and we will try and make it a club day out or evening out.

Although we still have 3 months left in 2009, the 2010 rideout calendar has already started, if you would like a particular ride to be included, let me know.

The national VSOC AGM takes place November 8TH, when I get the agenda for the meeting I will bring it along to the club meetings this month for your views on the items up for discussion.

The event everyone looks forward to, Christmas is only a short 12 weeks away, Runwell Sports and Social Club has been booked since February for Essex Crusaders Christmas dinner on the 19TH December, three course meal and D.J. price and choice of menu will be in next months SEAX. Any raffle prizes you wish to donate would be greatly appreciated.

That's all for now, hope to see you at the meetings or the Sunday rideouts this month

John

Deputy Rep. (North).

C10 Charity Party

Hi all. Just to let you know about the charity party Paul and myself went to at C10 Saxon warriors. It was in aid of a children's hospice and about £700.00 was raised for the kids, and we couldn't have asked for a better forecast; the sun was out all weekend.

We got there about 12.45 on Saturday (26th) spoilt for choice as to where to put our tents as a few did camp over, the yokes and some saxons were there, and then just before we left for lunch the smugglers turned up, so we put the tents up and went into town for some lunch. Oh did i mention food lol. and when we got back i was told the darts comp was in flow and my name was down, so round we went to the bar and Paul and I were paired up. It was a close game both of us ended up in the mad house, double 1 to you novices.

I got thru to the 2nd round, so I got my 2 quids worth, well I did say it was a charity weekend. but that was as far as I got, Hank knocked me out. It ended up the winner of the men's and the winner of the ladies had to play off and K Hoyte yes our chairman won the trophy.

There was a quiz and karioke and of course a BBQ oh yes I had some of that as well, and a great disco. A good night was had by all with the yorkies doing their version of Alice.

It was a cold night even tho i won a fleece blanket in the raffle brrr! but the sun shone on Sunday morning, and while the tents were drying off it was bacon baps at a pound a time for breakie..... its ok i did control myself, I only had 3. if you want to enjoy the photos terry from the yorkies (check out their site) had about a thousand taken for him by bev who was non stop flashing around. And why was barry dressed to thrill well because we paid for him to keep it on because we wouldn't pay have him get his jeans back on!

Can't wait till next year and maybe a few more from C19 can make it?

Bruce.
