A VERY HAPPY NEW YEAR FOR 2011

A new year is upon us again, it seems like only 12 months ago that 2010 started, time does seem to go quicker as you get older, it could be that you need more time to do things that took only half the time 10 years ago.

CHRISTMAS DINNER

For the first time in the 14 years I have been with the club Centre 19 will be having their Christmas dinner in January due to the adverse weather conditions in December (in the 40+ years I have lived in Essex I have never seen so much SNOW). Remember our Christmas dinner is now on Saturday 15th January 2011, same menu, same venue and fingers crossed, the weather will be more favorable to us this time.

We are able to add some places to our original booking, so if you could not make the December date and would like to come, could you please let John or Carol know ASAP; with your choice of menu.
